Society is definitely a hole. The ocean is a. Filled hole. Your skull is.
Several filled. Holes. You enter. Body many ways.
Body has no exit. Tho.

Column A.

(escargot w/ chains)

Nature has. Nature has made. A beautiful. Cataract. Nature has made a beautiful wine.
Colored year! This. Is an excellent sour and. Dry. Dry, dry. Bluh. Hud. Colored year.
This. Year of humility. This year of driest. Embarrassments. This. Year of wine colored
orgasms. This a year of pathology and.Soup. Carrots and brothyness; A broth made of self.

You now a foamy frothy Warmest mouth that is seeing Definitely seeing and widening While every
other part is shrinking Or widening with you In you thru you and out of you You grow and exhale wetness And warmness
and You speak thru aggressive Body you speak you speak When you speak it is the driest funniest pain and
Struggle Inward Inward Meditative Struggle But anyone who does Not commune with hardship
Constantly drunkenly commune With hardship Is a piece of shit A clownish sexless strange form
Of animal This A very big Meditative "Thank you" To anyone who has ever sucked my dick

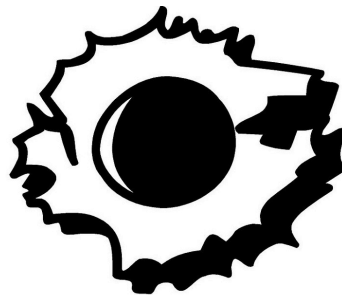

Sayonara!

Column D.

(subjekz)

The year of the death penalty. And carrot soup. You are an absolute idiot; I
know this because that. Is how we see. Each other. In the soup. A calico year.
A cat year. Returned to us! You. You were lost. To the absolute misery. Of
competition! Dark with blonde freckles and. White belly; white belly and carrot
colored. Eyes and. Nose. A year with. Paws. This year make you say: exit
humanity. You leave and commune only with. Wine and yourself, your plural
self. And your feelings of, like. Wanting to make things. Of course.
Loosely defining things; thoughts are. Things and images are things and. Text is things too.
