

CHELSEA CULPRIT

*Pole on Break*

4.5.22 – 5.7.22

Queer Thoughts presents *Pole on Break*, a solo exhibition of new work by Chelsea Culprit. Culprit will exhibit a new large-scale sculpture in mirror-polished steel from the artist's *Relaxed Pole* series, accompanied by a suite of new paintings in tones of evening shade. Pole on break.

Text on break.

Expectation on break.

Essence released from mighty muscle memory.

Noctámbulas softly shedding any command but their own unscripted pleasure body.

Imagine our sensual nature absent the reproduction of power.
